# Solid Brass Dry, Damp or Wet Accent Lighting Fixture Lamping: 1 x 10W or 20W LED

PROJECT

#### **Fixture Description:**

A cast brass dimmable LED wall sconce with a 95 CRI Xicato COB module. Fixture is suitable for wet or dry location and may be used for uplighting or downlighting. **Construction:** 

A solid brass sand casting with a glass sealed aperture.

#### Electrical:

Integral in mounting box, a dimmable constant current driver. Specify input voltage, either 120V or 277V. Specify wattage, either 10W or 20W. Provide reverse phase with neutral dimming technology to dim Xicato LED module. Dimmable down to 20%.

#### Mounting:

Finishes:

 $Solid \, brass \, 8/32'' \, phillips \, screws \, and \, 2 \, hex \, head \, machine \, screws \, mount face plate \, to \, custom \, transition \, plate \, attached \, to \, mud \, ring \, or \, to \, DL-260B \, 2-gang \, brass \, box. \, Wet \, location \, requires \, 2 \, additional \, support \, screws \, in \, face \, plate \, (see \, diagram \, at \, right).$
